good cause

The Alchemy Design Project presents a charity bazaar to help raise more than RM3,500 to fund 13 jewellery making tool kits for survivors of human trafficking.

In collaboration with Tenaganita, the organisers hope to empower young women to find an economic alternative to sex slavery by training them in the art of jewellery making.

Tomorrow's event runs from noon to 6pm at Drift Dining & Bar, Jalan Bedara in Kuala Lumpur. Learn more on its Facebook page or call 03-2110 2079.
